Payment Details

I enclose a check for \$ _____ (Made payable to the European Coaster Club)

Please send this form, along with the cheque, to the address below.

I made a direct bank transfer for £ _____ using the details below.

To make a direct bank transfer, please use our bank details printed to the right.

When making the payment, please ensure that we receive the full amount, plus any charges that the banks (yours and ours) may charge us. As we are a non-profit Club, every penny really does count. Thanks.

If your local currency is not Pound Sterling, please see the information box below.

When the payment is made, make sure that there is a note on the form against "payment / remitters reference" (this is the bit that tells us who is paying), saying "NM-(your name)". Obviously put your own name in there! Also, make sure that this information is sent with the transfer - some banks do not send it unless it is requested. Thanks.

I made a credit card payment for £ _____

The only way we can now accept credit card payments is online. This is due to the logistics of us needing to handle each payment, and then handle any issues that may arise afterwards – such as a rejected card.

We are currently building a web based payment system into our own website, but until this is ready, you can either go here:

www.coasterclub.org/cc

You can either send this form to the address below, or you can fax it to: **+44 (0)20 8569 3489.**

Or you can send an email to **paypal@coasterclub.org** with details of what you need to pay for and how much it is for.

If your local currency is not Pound Sterling, please see the information box below.

PLEASE NOTE: Even though we are using PayPal for our online transactions, you **DO NOT** need to have a PayPal account to use it.

FOR THOSE WHO DO NOT USE POUND STERLING

All credit card and direct bank transfer payments need to be made in Pound Sterling (£). Therefore when paying you will need to use the Sterling costs, which will have been in brackets next to the local currency amount. The conversion to your local currency will be made by your credit card provider or bank at the exchange rate set by the provider at the time of the transaction.

Therefore the final amount that you will be charged will not exactly match the local currency amount due to exchange rate fluctuations and the varying rate of the provider. It could be a little more, or even a little less than the local currency amount shown.

If you wish to guarantee you pay the exact local currency amount please pay by cheque/check.
