

Sevenum, 21 april 2010

Dear coasterfanclub,

Dit jaar organiseert de European Coaster Club in samenwerking met Toverland te Sevenum een nieuwe 24 uren coasterchallenge op 11 september 2010 om 12u. This year the European Coaster Club, together with Toverland, organises a new 24 hour coaster challenge on september 11th 2010 starting at 12 o'clock.

It has been quite a while ago that Toverland hosted a coaster challenge on their BoosterBike and the Boomerang. Troy, who was not on this list yet, could stay behind. After many requests Toverland decided to grant the European Coaster Club the organisation of another coaster challenge. So this year we will have a 24 hour coaster challenge on the wooden coaster Troy.

The ECC has selected 5 rollercoaster clubs (FKF, Onride.de, Rollercoasterfriends, Themepark.nl and ECC) that will have the opportunity to each delegate 2 participants and 1 reserve for this challenge. How you do this is entirely up to you...

Keep in mind though that each participant has to meet the following requirements:

- Minimum age: has reached the age of 18 jaar in januari 2010.
- In possession of a good physical condition
- Medically fit to ride Troy for 24 hours
- The perseverance to complete the entire challenge
- Every participant + reserve is expected for an endurance test of 2 hours on 17th of juli at 16h00. There the participants receive a briefing of how and what, and we will check to see if the participants are fit to complete the challenge. Everybody is required to participate this day! When a participant does not show up for this briefing and endurance test, the participant will not be accepted for the 24 hour coaster challenge in september 2010.

We expect the names of your challengers before may 30th.

These names with e-mail address, postal address and phone number must be sent to [jo.pools@telenet.be](mailto:jo.pools@telenet.be) and [l.lempens@toverland.nl](mailto:l.lempens@toverland.nl) with the reference "Coasterchallenge TROY 2010"

The remaining seats on the coasters will auctioned of in hour-blocks for a good cause of which you will receive more information later on.

Kind regards,  
Jo Pools

European Coaster Club
